The Swall

I A. DICKSON. Into thy gates once-more,

yore On every hand. The long, grey, graceful moss
Still weighly droops from white magnolla bloom:
Into the air myrtle and oranga toss

Their rich permine.

From starry jasmine bowers
Bright humming-birds with radiant
plumage gleam;
Thro' dark green leaves, the red pome-

Thro' dark green leaves, the red pomegranate flowers
Like jewels beam.

With note of wild delight
The mocking-bird pours out his thrilling song.
I hear the whippoorwill thro' all the
height
His wails prolong.

But with what fear-dimmed eyes I greet thy birds, thy flowers, so sweet E'en the glad light of thy blue sunbright

skies Seems faint and grey. home, Youth's joys all fled.

Dear mother! on thy breast, ried of toil and care, Life's lamp

The New York Journal of Commerce, in answer to a lady correspondent who takes exception to some remarks of the editor on woman's work, says

Every stalwart member of the
household ought to bear a fair proportion of the common burden, and not leave the load to press with crushing weight upon a single pair of shoulders. While the husband is toiling from Monday morning till Saturday night to furnish the means of living; the wife and daughters, as well as the sons, should do something practical with their own hands to save expenses and help in the good work. We have

the right to live But while the husband is earning his daily bread in the sweat of his face no hands in the
